ATTENTION ALL BUELL RACERS ❖❖❖

The contents in this section contains all of the current “race only” parts that are available. You will have to see your favorite Buell® dealer and have them order the parts for you by calling Buell Racing at 262-642-2102 or e-mail at buellraceparts@buell.com.

NOTICE: Buell® motorcycles modified with some Race-Only parts must not be used on public roads and in some cases may be restricted to closed course competition. All engine-related parts identified with the race flag symbol (❖❖❖) are intended for racing applications only and are not legal for sale or use in California on pollution-controlled vehicles. Alterations of emission-related components constitutes tampering under U.S. EPA guidelines and can lead to substantial fines and penalties.

WARRANTY: Installation of Buell race-only products, and similar products from other manufacturers, except some street-legal offerings installed by authorized Buell dealers, may void your Buell limited warranty.

Buell Race support van will be at selected AMA nationals, ASRA/CCS National and Moto GT races. Prices subject to change without notice. Call for availability of 1125R race parts.

CONTROLS

A. Buell® zūmo® GPS Navigator

Throw away your maps and hit the road with the rugged Buell® zūmo GPS Navigator. Developed for Harley-Davidson by Garmin, this motorcycle-friendly device makes GPS navigation easy to operate while in the saddle.

Motorcycle-Friendly Design

- Glove-friendly touch screen with left-handed controls
- Bright, sunlight-readable, UV-resistant display
- Rugged, waterproof design withstands vibration
- Trip information dashboard with fuel gauge

Navigate the Open Road

Ready to go, the Buell zūmo is preloaded with City Navigator® NT street maps and a large point of interest (POI) database that includes Harley-Davidson® and Buell® Dealers, motels, restaurants, fuel, ATMs and more. Simply enter a destination, and the Buell zūmo leads you there with turn-by-turn voice directions and street names. The Buell zūmo also features a rechargeable lithium-ion battery for use away from the bike.

Listen To A Little Music

Buell zūmo features SD card expansion that makes it easy to transfer mp3 music files to your unit. Just plug in your *Doom!* Audio™ Half- or Full Helmet Music Headset, and enjoy music while navigating. As you approach a turn, the music volume automatically lowers as your turns are announced.

Talk and Listen Wirelessly

Buell zūmo is equipped with Bluetooth® wireless technology, so you can talk on the phone safely without removing your gloves or helmet. Connect zūmo to your headset/helmet and cell phone to make and receive hands-free calls. You can even call ahead to POIs with the zūmo Bluetooth interface. In addition, zūmo transmits navigation voice prompts to your headset so you can listen wirelessly.

Plan Your Trips and Share Your Rides

Buell zūmo makes it easy to plan your next trip and share routes with your riding buddies. Plan your route on Harley-Davidson Ride Planner® before you start, map out your food and fuel stops, the local attractions, and transfer your route to zūmo and go. At the end of the day, share your favorite places and rides with other zūmo riders, and review your travels in Google™ Earth. SD memory card expansion makes route sharing a breeze, and a built-in JPEG picture viewer lets you share photos of your adventures with friends and family.

Handlebar Mounting

Includes an installation kit designed for handlebar mounting of the Buell zūmo GPS System on specified Buell models. Mounted to the right-side handlebar control clamp, the bracket accepts cradle for the Buell GPS System.

F

G

A. Harley® Spray Cleaner & Polish

This aerosol waterless quick cleaner/detailer is perfect for those times when the motorcycle is too clean to wash and too dirty to ride. Floats dirt and dust off the motorcycle surfaces, allowing for quick and easy cleaning and detailing. The spray also reduces static attraction to dust and leaves a great shine plus UV protection. Provides a convenient way to keep your bike looking clean, especially when touring.

99817-99B 12-oz. Aerosol can. **\$5.95**

B. Bug Remover

Remove bugs with little effort. Bugs have natural acids in their systems that can prove to be very damaging to motorcycle finishes if not removed. Harley-Davidson® Bug Remover melts away bugs without damaging metal, plastic, or painted surfaces. Biodegradable.

94657-98 8-oz. Pump Spray. **\$4.95**

C. Sunwash® Concentrate

This revolutionary cleaner lets riders wash their bikes where they want to, in the sun. Most bike wash products on the market can be used only on cool days or in the shade. Harley-Davidson® Sunwash® Concentrate has a unique formulated sheeting action that prevents hard water spots and rinses clean even on hot days in the sun. Biodegradable.

94659-98 8-oz. Bottle. **\$3.95**

D. Wheel & Tire Cleaner

The road provides plenty of nasty elements that can be potentially damaging to the finish of motorcycle wheels. Harley-Davidson® Wheel and Tire Cleaner cleans wheels, tires and whitewalls in seconds. Also recommended for use on Harley-Davidson® black-coated exhaust pipes and mufflers. Biodegradable.

94658-98 16-oz. Spray Bottle. **\$6.95**

E. Microfiber Detailing Cloth

Super soft and absorbent microfiber synthetic cloth is the multi-purpose choice for washing, cleaning or buffing. The cloth can be used wet or dry and is safe for use on all surfaces and finishes. This durable 16" square cloth is mildew-resistant and machine washable. Includes convenient storage container.

94663-02 Universal. **\$9.95**

F. Softcloth

Rags often cause scratches in bodywork, but this disposable towel is made of special material specifically designed not to scratch paint while greatly reducing the amount of lint left behind during waxing and polishing. To avoid contamination, the disposable towels come in a handy resealable bag.

94656-98 **\$5.95**
One package contains 25 cloths.

G. Soft Drying Towel

Made of synthetic material that is safe for use on all surface finishes. Ensures extra absorbency without streaking. Stays soft and supple even when dry. Durable, mildew-resistant and machine washable. 12" x 21" towel stores in a convenient container.

94791-01 Universal. **\$9.95**

D. Compact Tire Gauge and Tread Depth Indicator

Combination dial air pressure and tread depth gauge provides easy access to the valve stem. A durable internal diaphragm provides accurate air pressure readings with a dual range indicator for 0-60 psi and 0-400 kPa readings. The pressure relief valve is activated by a push button to eliminate inner gauge air pressure after use. The integrated tire tread depth gauge features a dual-range color-coded indicator, calibrated in 1/32" (0-14/32") and millimeters (0-11mm), for monitoring tread wear. A protective rubber boot covers the housing to protect the gauge from impact and abrasion.
